

GAIN EXPERIENCE!

Each year SGA participates on campus committees such as the Student Life and Interests Committee (pictured below). This committee allocates over \$100,000 of funds for various campus activities. Committee work is a huge student responsibility. It's also a great learning opportunity. Students can use this experience as a reference when applying to transfer college programs. It's also a fun way to make new friends.

Student Government Association Organizational Meeting

When: Monday, September 10, 2007

Time: 11:00 am

Location: Student Organization Office
Room 3212

What to Bring: a pen or pencil, and your ideas about fun student activities.

***If you would just like to get more information, feel free to stop by. You are not obligated to join by coming to this meeting. We hope you find the Organization meeting worthwhile.
