WHAT ARE YOU DOING IN JANUARY? Why not take a Winterim class and earn as many as three additional credits in three short weeks? Classes run January 5-22 and include areas such as Art, Computer Science, Economics, Education, Math, Philosophy and Religion. Registration is underway now! Tuition for Winterim classes is reduced, providing students with the opportunity to save on overall educational costs. Be sure to check out the copies of the Winterim course schedule available across campus, in Student Services or on the UW-S web site (under course schedules). Early registration is advised to ensure availability.

THE MEN'S BASKETBALL TEAM will kick off their 2009-10 season with the popular Alumni Game set for Saturday, November 7 at 7 p.m. in the Gym. All students, faculty, staff, family and friends are encouraged to attend to see this year's UW-Sheboygan team square off against past men's basketball players in a heated – but fun – contest!

FLU SEASON IS UPON US, and all students, faculty and staff are reminded to try to prevent the spread of flu as much as possible. The campus is working with the Sheboygan County Health Department to monitor flu conditions throughout the county and on the campus. The CDC recommends the following steps to prevent the spread of the virus: wash your hands with soap and water whenever possible, especially after coughing or sneezing (alcohol-based hand sanitizers have been installed around campus and also can help); cover your mouth and nose with a tissue when you cough or sneeze, or cough into your elbow or shoulder, avoiding your hands; avoid touching your face, nose, eyes, mouth, etc. as much as possible; know the signs of flu and stay home if you have the flu or a flu-like illness that includes a fever of 100 degrees or higher. For more information, visit www.flu.gov.

THE UW-S SOCCER TEAM will be participating in indoor soccer workouts during the off-season. Indoor soccer will be available Monday and Wednesday evenings from 7 to 9 p.m. in the Gym (with the exception of home men's basketball game nights) and the November 11 and 18. Coach Luis Beltran will supervise the workouts. You do not need to be a member of the soccer team to participate. All are welcome! For more information, contact Missy Skurzewski at missy.skurzewski@uwc.edu or Luis Beltran at luis.beltran@uwc.edu.

These books will help the freed children break their bondage to violence and learn new ways of life. All types of textbooks in all disciplines are needed, as well as non-fiction books. All books can be dropped off in a collection box located in the Commons or with Upward Bound Advisor Steve Roelse in Room 2216. For more information, contact Steve at steven.roelse@uwc.edu.
