### SENIOR AUDIT FEES: The state legislature has approved a fee waiver for Wisconsin resident seniors age 60+. Students can audit university courses tuition-free with the consent of the instructor and provided space is available. Additionally, audit fees shall not be charged to residents who are receiving federal old age survivors and disability insurance benefits (OASDI) under 42USC 401 to 433. Senior audit students must pay per credit textbook rental fee and special course fees where applicable.

### AUDIT FEES FOR THOSE ALSO ENROLLED IN CREDIT COURSES (students under age 60.) Students who combine both credit and audit courses will be charged for-credit rate for all courses.

### ONLINE COURSE FEES are charged at a rate of $238.00 per credit plus a $25.00 per credit administrative fee. This fee is refundable only through the last day of online registration, August 24, 2014. Online course fees are assessed over and above regular tuition and fees. Visit UW Colleges website online at: www.online.uwc.edu.

### Credit Agreement remaining balance due dates:

1st 50% due by October 13, 2014 ***
2nd/Final 50% due by November 10, 2014 ***

***Invoices will not be sent to remind you of these deadlines. A pay plan late fee of $35.00 will be assessed if either payment is not paid in full or not paid at all.

### Option 1 Payment of Fees by Payment in Full

Pay your fees online to save time. Credit cards (MasterCard/VISA/Discover) and web checks are accepted through the student’s PRISM account. A service fee of 2.5% of the payment amount is charged for using a credit card. Web checks are free. Go to http://www.uwc.edu/prism.

Or pay your fees by cash or check in Business Services during business hours. The depository box next to Business Services is available for payments after office hours. After hours payments will be entered the next workday.

### Option 2 Payment of Fees by Credit Agreement/Pay Plan

$200.00 down payment and completion of UW’s Terms and Condition for Enrollment/Credit Agreement is required for Pay Plan to be activated. Down payment can be made in Business Services or online to your PRISM account.

You are NOT eligible for the Credit Agreement if:
- You owe charges from a previous semester such as tuition, parking fines, library fines, etc.
- You are carrying less than three credits.
- You are younger than 18 years old and do not have a parent or guardian co-sign your contract.

*For those students that are under the age of 18, please print a hard copy of the Terms and Conditions (TAC) for Minors and have a parent co-sign and submit to a designated UW Colleges Staff member. Obtain/print form from: http://uw.edu/money-matters/business-office/tac

The balance on your account may automatically be reduced by your pending financial aid (which has been awarded, accepted, and approved.) A Financial Aid Waiver is noted as “waiver” on your account. If a balance is owed beyond these “waivers,” you MUST pay balance in full or enroll in Credit Agreement before or by September 15, or you will automatically incur a $100 late fee.

FINANCIAL AID CENSUS DATE:
Your financial aid for fall 2014 will be paid based upon the number of credits for which you are registered at the end of the 10th day of classes—September 15, 2014. If you add credits after that date, you will not receive additional aid.

GENERAL FINANCIAL AID INFORMATION:
The UW Colleges student financial system, which manages registration and tuition payments, also processes financial aid. Initially, most grants, institutional scholarships, and student loans that have been awarded, will be credited electronically to individual student accounts the evening September 15, 2014. If the amount of aid exceeds the amount of tuition and fees (which will be paid FIRST) the UW Colleges Business Office will mail a check in the amount of the excess to the student. The student must use that check to pay campus hardship/foundation loan and/or added credits after the census date/refund check is cut, as these are NOT automatically deducted from a student’s financial aid.

The amount of the financial aid refund is based on your enrollment credits and financial aid status as of the date of the check. If you add credits, reduce credits or withdraw from all your classes, you need to contact Student Affairs for information on how this will affect your financial aid. A reduction in credits could make you liable for repayment of Financial Aid.

Check your PRISM account to see if any financial aid amounts have been credited to your account and/or any checks have been sent. You are responsible for the timely
**Payment of tuition and fees.** In the event financial aid is not disbursed, it is imperative that a payment plan option is secured.

**Bookstore Charges**

Students who have aid sufficient enough to cover the cost of their tuition with additional money to cover other expenses may be eligible for a Book Store Charge Authorization. This would allow the book expenses to post to their account and have their financial aid pay all charges due.

**Adding Credits**

Adding credits may result in additional fees. Please check your PRISM account. Go to: [www.uwc.edu/prism](http://www.uwc.edu/prism).

If you add a course during the first week of classes, you have until the end of the second week (10th day) to pay any additional fees. Payment made after your tuition due date will be subject to assessment for late payment.

If you add a course after the second week of classes or later, you must pay any extra fees the same day you add the course. Payment made later will be subject to assessment for late payment.

**Dropping Credits/Withdrawal/Refund Policy**

If you decide to drop a class or not to attend any classes, your fees will NOT be adjusted until you officially drop the course(s). The date your drop/withdrawal, when it is posted in PRISM, is the official date of your action.

If you withdraw from UW-Sheboygan or drop a course, and you have a refund due you, a check will be mailed to you, usually within 5-6 weeks. The amount of your refund will be based on the official date of your withdrawal or course drop.

**NOTE:** Refunds for students receiving financial aid may be returned to the financial aid provider, not to the student.

**Withdrawal Fee**

Students who withdraw from UW Sheboygan September 2 through September 15 will be charged a $50 withdrawal fee.

**Concurrent Enrollment**

If you are enrolled at another University of Wisconsin campus, your fees may be adjusted depending on the total number of credits for which you are registered. To inquire about fee adjustment, contact UW-Sheboygan Business Services. A copy of a paid receipt from the other UW campus(es) will be required to evaluate potential adjustment your fees owed to UW-Sheboygan.
