**Option 1 Payment of Fees by Payment in Full via Cash or Credit**

Pay your fees online to save time. Credit cards (MasterCard/Visa/Discover) and web checks are accepted through the student’s PRISM account. A service fee of 2.5% of the payment amount is charged for using a credit card. Web checks are free. Go to http://www.uwc.edu/prism.

Or pay your fees by cash or check in Business Services during business hours. The depository box next to Business Services is available for payments after office hours. After hours payments will be entered the next workday.

By mail, send check to: UW-Sheboygan Business Services 1 University Drive Sheboygan, WI 53081

(To receive a receipt, include a self-addressed stamped envelope.)

**Make checks payable to UW-Sheboygan.** Be sure to include your name and student identification number on the check. For checks returned because of non-sufficient funds, there is a $20.00 charge plus applicable bank fees as well as possible mandatory late fees. A returned check could result in loss of registration.

For students already registered, if payment or payment arrangement is not made on/before September 16, 2015, a **$100.00 Late Fee** will be charged. (See Dropping Credits/Withdrawal and Late Registration for additional details.)

Any student whose account goes into default will be responsible for all collection costs associated with the collection of the past due amount (approx...35% of balance.)

**Option 2 Payment of Fees by Payment Plan**

**$200.00 down payment and completion of UWC’s Terms and Condition for Enrollment/Credit Agreement (Due no later than Sept. 16) is required for Pay Plan to be activated.** Down payment can be made in Business Services or online to your PRISM account.

You are **NOT** eligible for the Credit Agreement if:

- You owe charges from a previous semester such as tuition, parking fines, library fines, etc.
- You are carrying less than three credits.
- You are younger than 18 years old and do not have a parent or guardian co-sign your contract.

For those students that are under the age of 18, please print a hard copy of the Terms and Conditions (TAC) for Minors and have a parent co-sign and submit to a designated UW Colleges Staff member. Obtain/print form from: http://uwc.edu/money-matters/business-office/tac

**Option 3 Payment of Fees by additional Financial Aid**

The balance on your account may automatically be reduced by your pending financial aid (which has been awarded, accepted, and approved.) A Financial Aid Waiver is noted as “waiver” on your account. If a balance is owed beyond these “waivers,” you MUST pay balance in full or enroll in Credit Agreement before or by September 16, or you will automatically incur a $100 late fee.

**FINANCIAL AID CENSUS DATE:** Your financial aid for fall 2015 will be paid based upon the number of credits for which you are registered at the end of the 10th day of classes—Sept. 16. If you add credits after that date, you will not receive additional aid.

**GENERAL FINANCIAL AID INFORMATION:** The UW Colleges student financial system, which manages registration and tuition payments, also processes financial aid. Initially, most grants, institutional scholarships, and student loans that have been awarded, will be credited electronically to individual student accounts after the 10th day of classes. If the amount of aid exceeds the amount of tuition and fees (which will be paid FIRST) the UW Colleges Business Office will mail a check in the amount of the excess to the student.

The amount of the financial aid refund is based on your enrollment credits and financial aid status as of the date of the check. If you add credits, reduce credits or withdraw from all your courses, you need to contact Student Affairs for information on how this will affect your financial aid. A reduction in credits could make you liable for repayment of Financial Aid.

Check your PRISM account to see if any financial aid amounts have been credited to your account and/or any checks have been sent. **You are responsible for the timely payment of tuition and fees.** In the event financial aid is not disbursed, it is imperative that a payment plan option is secured.
Bookstore Charges

Students who have aid sufficient enough to cover the cost of their tuition with additional money to cover other expenses may be eligible for a Book Store Charge Authorization. This would allow the book expenses to post to their account and have their financial aid pay all charges due.

Adding Credits

Adding credits may result in additional fees. Please check your PRISM account. Go to: www.uwc.edu/prism.

Payment

Payment must be made to avoid a $100 late payment penalty!!

Withdrawal Fee

Students who withdraw from UW Sheboygan September 2 through September 16 will be charged a $50 withdrawal fee.

Concurrent Enrollment

If you are enrolled at another University of Wisconsin campus, your fees may be adjusted depending on the total number of credits for which you are registered. A copy of a paid receipt from the other UW campus(es) will be required to evaluate potential adjustment your fees owed to UW-Sheboygan.
