SCHOLARSHIP APPLICATION FOR RETURNING AND TRANSFERRING STUDENTS

Recipients of UW-Sheboygan scholarships are chosen by the Student Aid, Awards, and Appeals (AAA) Committee, or in some cases, the organization providing the scholarship. The AAA Committee is made up of three faculty/staff members, two students, and two non-voting members of Student Affairs. Most scholarships are awarded for one academic year with one-half of the funds distributed upon first semester (Fall 2015) registration and one-half distributed upon second semester (Spring 2016) registration. Only those scholarships specifically identified as Transfer Scholarships can be applied to other campuses. Scholarship awardees will be recognized at the UW-Sheboygan Honors and Recognition Night, Wednesday, May 13, 2015, 6:00 p.m.

Please respond to all of the questions, and write "NA" (not applicable) if appropriate. Recipients of the various scholarships will be determined based on the information provided on the application form. Although most scholarships are awarded primarily for academic achievement (minimum cumulative 3.0 G.P.A.), other considerations such as extra-curricular activities and financial need, play an important part in the selection process. The Student Aid, Awards, and Appeals Committee reserves the right to interview any and all applicants.

Students receiving financial aid are also eligible to apply for scholarships because these funds are separate from UW Colleges Financial Aid Office funds. Students are also encouraged to check with Student Affairs for additional scholarship opportunities which are not administered by this campus. You can check out the tentative list of scholarships at: http://www.sheboygan.uwc.edu/money-matters/financial-aid/scholarships.
