UW-Sheboygan

ATHLETICS

“At UW-Sheboygan, we view athletic participation as an extension of learning. All who support our athletic department are committed to providing UW-Sheboygan student-athletes with the resources and atmosphere ideal for a positive collegiate experience. That being said, our mission is to assist student-athletes in utilizing sport as a forum for the development of interpersonal skills that are essential for achieving excellence in all facets of life.”

-Missy Skurzewski, UW-Sheboygan Athletic Director
As leader of the UW-Sheboygan Athletic Department, I welcome all to become a part of our Wombat Family — whether as a student-athlete, friends and family members of our student-athletes, staff members, or fans. You are all a part of our growing success!

At UW-Sheboygan, we emphasize not only the achievements of our student-athletes on the playing field in golf, soccer, volleyball, basketball, and tennis, but also applaud them in their service to our campus and contributions to our community. Most importantly, we are proud of our student-athletes who have achieved success in their academic pursuits, and we continue to dedicate our work towards helping our current student-athletes balance academics and athletics while they are here at UW-Sheboygan. We look forward to continuing this tradition for our future Wombats as well.

Thank you to all who have supported our athletic department — especially our campus faculty and staff, coaches, students, student-workers, and our community partners.

As always……GO WOMBATS!

Sincerely,

Missy Skurzewski
