WILLIAM GREENWOOD II
Head Coach

In three years, Coach Greenwood has transformed the UW-Sheboygan Wombats from one of Wisconsin's weakest college programs into a league contender scoring 42 wins.

The Wombat's path to success on the basketball court starts with ball control, patience, and confidence in your decision making. This four day camp will improve.

- Dribbling skills
- Strength in the triple threat position
- Finishing at the rim
- Shooting off the dribble
- Decision making and passing
